- Microsoft SQL Server, MySQL, PostgreSQL, MongoDB, Firebase
- Azure ML Studio, Docker, Git, Bash
- Power BI, Tableau, Excel
- Communication · Teamwork · Leadership · Time Management

PROFESSIONAL SUMMARY

Third-year Applied Information Systems Technology student with a year of full-lifecycle development and analysis experience and active involvement at Edmonton Unlimited. I turn business needs into secure, scalable apps, such as an e-commerce art-gallery built with C# and Bootstrap, and thrive on collaboration; most recently I delivered an online store for artists and showcased it to partners in the United States.

EXPERIENCE

January 2025 - April 2025
System Analyst & Web Developer
Art Gallery, Lasvegas, NV

- E-Commerce Art Gallery Website (C#, ASP.NET Core, SQL Server, JavaScript)Designed and deployed a full-scale online storefront with secure payment integration, responsive UI, and admin analytics dashboard.

September 2022 - April 2023
Application Developer
United Way of the Alberta Capital Region, Edmonton, AB

- Developed a web-based voting system for United Way of the Alberta Capital Region, ensuring secure login, vote submission, and result processing.
  • Collaborated with stakeholders to refine system design, ensuring compliance with community needs and regulations.
  • Built an admin dashboard for real-time vote tracking and analytics, enhancing transparency and decision-making.

October 2021 - Present
Senior Sales Representative
YM INC., Edmonton, AB

- Utilized strong communication and interpersonal skills to address customer inquiries and provide informed recommendations on technical products.
  Employed problem-solving techniques to fulfill customer needs, enhancing satisfaction and driving repeat business.

EDUCATION

Bachelor of Applied Information Systems Technology

NAIT (Northern Alberta Institute of Technology), Edmonton, Alberta, Canada

Diploma in Computer Software Development

NAIT (Northern Alberta Institute of Technology), Edmonton, Alberta, Canada

CERTIFICATIONS

- Introduction to Power BI

VOLUNTEER EXPERIENCE

October 2024 - October 2024

Volunteer Startup week Ambassador

Edmonton Unlimited, Edmonton, AB

- Edmonton Unlimited's Startup Week aims to foster innovation, support budding entrepreneurs, and drive tech and business growth within the community. As a volunteer, my role supported this cause by helping create a space where aspiring tech founders, industry leaders, and investors could connect, collaborate, and learn. Your contributions helped promote Edmonton's startup ecosystem, advancing the city's reputation as a growing hub for technology and entrepreneurship.
